

Swinging Vintage Pop

With **LUNA & The Gents** comes '**Swinging Vintage Pop**' from Basel. Together with her formidable Gents, LUNA conjures up a vintage mix of swing, tramp, pop-folk, country and chanson. And with her strong voice, LUNA lends credibility to the own compositions and her gents impress with their rich, grooving sound.

The high quality of LUNA & The Gents is also reflected in the fact that all songs are recorded live in the studio. Instrument plug-ins and samples are left out. Catchy melodies, captivating rhythms and high dynamics are the unmistakable characteristics of the always transparent sound.
